NEW YORK, 7/16/24

Mr. Sydney P. Noe

Dear Sir:

I wish to thank you, though somewhat tardily, for your very cordial letter of March 27th, which answered what I wished to know.

I am not a coin collector, my boy has a few that interest him; if I ever do become one I shall avail myself of membership in your Society, and hope some day to meet you in person at the rooms.

Very truly
Reuben Tree Voss.
